FOR IMMEDIATE RELEASE

First American Payment Systems Provides Integrated Payment Solutions to Uluro Customers

Customers Can Accept Payments Easily & Securely Within the Uluro Platform

Fort Worth, Texas – May 7, 2018 – First American Payment Systems, an industry leader in payment technology, and Transformations, a technology company dedicated to streamlining and innovating the customer communications and online bill payment through its flagship product, Uluro, have partnered to offer a full suite of integrated payments options within the Uluro billing and communications platform.

Transformations' Customer Communications Management product Uluro, is designed to provide billing, communications, eDelivery, and online presentment, for multiple industries, has been expanded to include a comprehensive suite of payment options from First American Payment Systems. Backed by award-winning customer support, the new payment offering from Uluro and First American provides a customizable on line bill payment solution for Transformation's customers looking to offer secure and robust payment options.

"Integrating First American Payment Systems with the Uluro platform provides world-class online bill payment and presentment solution for our clients" said Bill Tidwell, CEO of Transformations. "This is exciting for us and our customers because it significantly enhances the electronic payment processing capabilities of Uluro."

"First American is excited to partner with Transformations in providing our secure and flexible suite of payment technology to their customers via the Uluro platform," said Bill Lodes, Executive Vice President, Business Development & Strategy. "First American's innovative and forward-thinking payment technology allows for increased efficiency and improved cash flow for Transformations' customers. In addition to operational efficiency, our integrated payments solutions are built on a foundation of extensive payment security, giving customers and card holders peace of mind when using the platform."
